

4th May remote learning. Art

1. Design an outfit that, you would wear, if you were lucky enough to attend the coronation of King Charles
2. Design a vehicle for our new King to ride in, so he is visible to the crowds lining the streets of London.
3. Arrange petals, or leaves, or pebbles to make an interesting pattern in the style of Andy Goldsworthy.

4. Draw a detailed picture of a flower, tree, or what you can see outside your window. Look carefully at the shapes, where things are in relation to each other and what patterns are on them.
