

KS1 Commutative Property of Addition Dice Game

Roll the dice and draw them in the boxes provided. Write 2 addition sentences using the numbers you rolled. If you roll a 2 and a 3 you would write '2 + 3 = 3 + 2'

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$	

<div></div>	<div></div>
$\underline{\quad} + \underline{\quad} = \underline{\quad} + \underline{\quad}$
