November 2020

Dear Parents/Carers,

Along with the rest of the country, we are anticipating a very different Christmas this year. We are all working hard and planning lots of festive events and fun in school and are very sad that this year we will not be able to share them with you all in person.

With this in mind, we are hoping to film some clips of our Christmas events and fun and share them with you on our school website. We are not planning on sharing entire events and are taking this opportunity to try some new things in our classrooms this year.

We are asking permission for your child to take part in any recordings we make to be shared on our website for this academic year so. If you do not wish for your child to appear on any of the films we will make sure they are not picked up by the camera when we are filming or may keep them away from the filming sessions. The children will not miss out on any of the activities if they are not allowed to appear in the film.

If you are receiving this letter by email, it should be accompanied by a weblink that you can click on to give consent or ask for your child not to be filmed. Please note that the link is different for each year group. If you would prefer, you can return the slip on this letter to your child's class teacher or email the year group account. You only need to do one of these.

Please contact the office if you require the weblink.

We look forward to sharing our Christmas films with you very soon so that you can then share them with your friends and family at home.

We plan to begin recording on Wednesday 18th of November so we would appreciate all permissions to be returned to school by Monday 16th November.

Miss S Goldsmith
