

Dear Parents/Carers,

As always we would love your child to try to read as much as possible during our school closure. As children will be unable to change their books each week in school, we would like to make you aware of a free resource which you can access from home.

oxfordowl.co.uk will give your child access to quality books which are at an appropriate level for them. To access this website you just need to create an account using your email address.

Click on the **join us** tab and then you will be directed to another page to fill in some basic details.

Once you are logged in, click on the **levels** box and a drop down menu will appear.

Click on **Book Band** and another drop down menu will appear.
