March 2021

Dear Parents/Carers

As a result of the current Covid restrictions, many children and adults are missing out on celebrating their birthdays with family and friends as they usually would, with parties or gatherings that are currently not allowed during this time. We understand our children have already had so many changes and had to adapt to new rules and regulations both at home and school, and their emotional wellbeing is something that is very important to us.

Therefore, we would like to give children and staff the opportunity to celebrate their birthdays in school with their class friends! We have decided we will hold a birthday party within each class on Thursday 25th March, this will be to celebrate all children who have had or will have their birthday in January, February and March.

On Thursday 25th March, all children will have their packed lunch or school meal as normal. During the afternoon, school will provide fun games, activities, snacks/treats and a party atmosphere. There will also be a gift for each birthday child and staff member. All of the party costs will be covered by school. We are unable to accept donations of food or birthday cakes. Children must still come to school in their normal school uniform.

We look forward to giving every child the opportunity to celebrate with their friends and mark their special day.

Yours sincerely

Mrs E Lane
