

Reception's Two Week 'Rainbow' Challenge 2

Story Time

Can you find your favourite book? You may have it at home or with a grown up. You may be able to find it online. Can you retell the story to a grown up or to your toys? Can you read any of the words? See if you can find the words from your 'word books' in the text. Maybe you can draw or write about your story and we can try and guess what book it is?

Measuring

How many socks long are you?

How many socks long is your grown up? What is the difference in socks between you and your grown up?

If doesn't have to be socks it can be toy cars, Tins of soup, pencils. You do have to make sure that you have lots of things the same length before measuring. Can you record your findings?

Use Your Senses

Can you close your eyes and ask a partner to pass you an object. You need to describe the item you are touching. Can you guess what it is?

Try this with your other senses.

Can you find items for someone else to guess?

Weighing

Ask your grown up to give you a number of different items varying in weight. Can you sort these into 'Heavy' and 'Light'?

Do you think you can then order them from the heaviest to the lightest?

Does your grown up agree?

Can you draw or write a list of the items in order?

Spring Time

Spring has arrived and we have been lucky to have had some sunshine as well. Can you notice any changes? What looks different? From your windows or gardens what can you see? Can you draw or write about the changes you have spotted?

Maybe we can all draw a picture of what we can see from our window and we can share these when we return to class.

When you have completed your activity colour in part of your rainbow **YELLOW**

Play Board Games

Play a board game. Do you have a favourite? Make sure you follow the rules and no cheating.

Maybe you can make up a list of rules or instructions for when other people want to play?

Can you design and make up your own game?

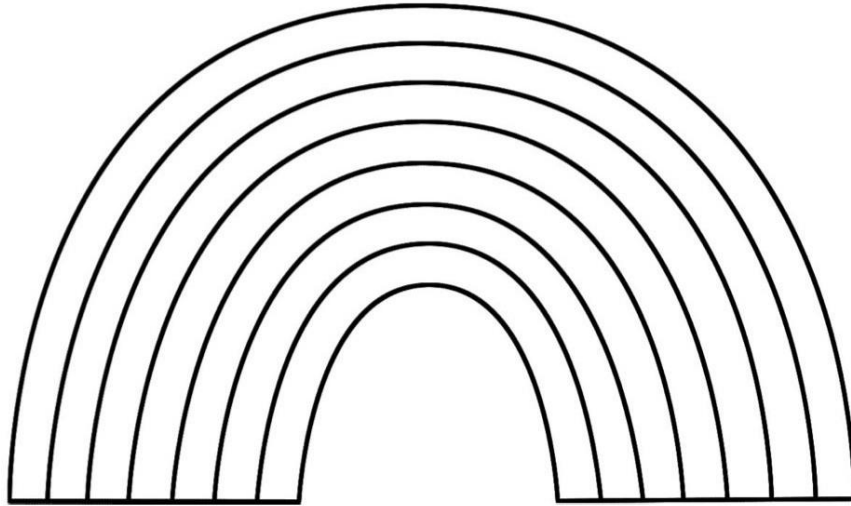

When you have completed your activity colour in part of your rainbow **MUSTARD**

Who's the Teacher ?

We are really missing teaching you Read Write Inc... so your challenge is to teach your grown ups or your toys the sounds you know. Can you try and do this like your teacher does. What do they say, write, or make you do? If you want to be super smart you could

learn a new sound. Watch 'Mr Thorne' or 'Ruth Miskin' on 'YouTube' with a grown up and that will help you.

When you have completed your activity colour in part of your rainbow **RED**

You can download the rainbow template or use your own.
