Dear Parents/Carers,

Firstly, can I thank you all for the generous donations for our Harvest Festival. We had a lovely time celebrating together and all of the donations will be making their way to the Food Bank at St. Nicholas Church next week. Happy day was a huge success, we saw some amazing outfits and lots of special lunches were consumed! Due to delivery issues, we will be having Fish on Monday next week and pizza on Tuesday. Apologies!

We are looking forward to the excitement of the Reception Sponsored Bounces next week, the children have been told to practise their jumping this weekend, so I hope you all have fun jumping together!

We are also very excited and proud to see Mrs Lane receive her MBE at Windsor Castle this week.

Have a lovely Weekend!

Mrs Smith

Spiritual, Moral, Social & Cultural (SMSC) and British values,

British Values

At Leigh Beck Academy SMSC encompasses all areas of individual personal development, encouraging the children to think about the kind of people they aspire to be and the kind of world they aspire to create.

We give the children lots of opportunities for SMSC across our curriculum. We encourage the children and adults to accept individual differences, respect each other and their surroundings and have regard for British Values. Children are encouraged to take an active part in the world around them through a broad and rich curriculum.

We have sent home details of our British Values competition to celebrate Mrs Lane's MBE next week and area eagerly looking forward to all of the marvellous creations the children make and bring in

Safety Message from the School Crossing Patrol Service

Would parents please refrain from enabling pupils to disembark from vehicles at the zebra crossing. This practise is both illegal and dangerous. Other drivers may accelerate to overtake the vehicle which compromises the safety of their own child, the crossing patrol and other Leigh Beck pupils. Drivers should never drop children off within the Zig Zag lines of the zebra crossing.

A concern for pupils exiting vehicles in a rush is that they can stumble from cars as they exit vehicles, children and car doors can collide with cyclists who do not expect car doors to suddenly open, children could drop items and need to retrieve them from under cars, close to the vehicle's wheels. I have witnessed pupils becoming very upset when they have left something inside the vehicle which has driven off and they have then attempted to run after the vehicle to retrieve it putting themselves in danger. Please Park up in the Football Ground Car Park sensibly and allow children to exit cars safely.

On all patrolled crossings across Essex, children are expected to dismount from bikes and scooters and walk them over the pedestrian crossing. I would like to say thank you to all the pupils that are dismounting. Please continue to encourage your child/children to dismount as it is good practise for when the children get older and make unaccompanied journeys, as by dismounting at roads, this will allow them to give their full attention to approaching traffic. Thank you.
