October 2023

Dear Parents/Carers

Year 2 - London Project

To support their London Project, Year 2 will be participating in a Design and Technology project on Wednesday 18th and Thursday 19th October. The children will be designing, creating and evaluating London landmarks that they have made from a wide range of recycled materials. For these two days, Year 2 (only) will not be required to wear school uniform and we request that you send your child to school in old clothes.

We would be grateful of any donations of medium/large boxes.

We would like to invite you to view the children's creations (when you pick your children up) on Friday 20th October at 1:30pm and 3.10pm. There will also be a film to view on the school website!

Thank you for your continued support.

Yours sincerely

Year 2 teachers
