Dear Parents/Carers,

Ofsted Inspection

Yesterday we received the report from the school's recent Ofsted inspection. All the children have been given a paper copy to bring home and it will be available to view on the school and Ofsted websites.

This is the first time the school has been inspected since it became an Academy in March 2015.

We are very pleased with the report and feel the team have really captured the ethos of the school in their report. During the inspection process, we jointly agreed the areas for development to help us further improve the education we provide for all the pupils at Leigh Beck.

We are particularly pleased that the exemplary behaviour of your children was highlighted in the report.

Thank you for the many positive comments that so many of you wrote on your questionnaire. The inspector said that the parents questionnaires was one of the most positive he had ever seen.

I look forward to seeing you all at our summer events.

Yours sincerely,

Mrs E Lane
Executive Headteacher
