Homework

At this age it is very important that children read regularly at home. We would ask they read **at least three times a week**. Please ensure you comment in the reading diaries every time you hear your child read. The class with the most readers each week will win Freida Reader bear and get an extra celebration in class. At the end of every half term we will award regular readers with a surprise! We will also be partnering up with a Year 2 class to read to a buddy. We are very excited to have the Year 2's visit us to help us with our reading.

1R and 2G will be reading buddies.
1AW and 2D will be reading buddies.
1W and 2HW will be reading buddies.

It is very important that your child brings their reading folder every day. We will also send home handwriting homework every Friday to be returned by the following Wednesday. If the children complete their handwriting homework every week they will receive a prize at the end of each half term.

Every Friday children will have a spelling test and new spellings will be issued the same day. Please make sure your child brings their spelling book to school on a Friday.

Children will also be given red word sets to practise at home which will be checked

We will be offering an afterschool homework club later in the year. More details to follow.

Maths homework will be issued on a Friday. Children will have homework targets that they need to work on at home. Sheets will be available in the classroom if your child wants to take one home. Homework will be collected on a Wednesday.

Attendance.

In Year 1 we are placing lots of emphasis on attendance this year. We will have displays in our classrooms encouraging children to come to school on time every day and be in school every day so that we may win an attendance award.

Every child in Key Stage One is offered a piece of fruit at playtime and due to the Government initiative every child may have a free school meal. However, as we are a 'Healthy School', if your child is having a packed lunch, please ensure that it is healthy and does not include any fizzy drinks or chocolate bars.

We are really looking forward to working with you all this year. Please feel free to put a note in your child's reading diary or speak to us at the door after school if you have any questions.
