Newsletter Friday 10th October 2025

Dear Parents/Carers,

Autumn seems to have well and truly decided to be here to stay and looks like it is going to be bringing its traditional unsettled weather so please ensure that if your child has their coat etc. that it has their name in.

Thank you for all the sponsor bounce money that has come in so far! We currently have an amazing total of **£1482.70**, which the children have already started to look at spending! That is a truly AMAZING amount and thank you SO much for your generosity! If there is any outstanding money, please send it in!

We are really excited for the Year 2 Big Box days coming up in the next few weeks and thank you for all of your boxes. We now have enough to build London twice over so we do not need any more.

Have a lovely Weekend!

Canvey Town Council

Canvey Island Town Council is currently holding a public consultation to gain residents views and help shape its upcoming budget considerations. This is your chance to shape the upcoming discussions for the Town Council's budgets and any new and potential projects that residents would like to see the Town Council consider.

possible. They also would like to invite you to fill in the consultation. It is live until **Friday 7th November**.

Harvest Festival

Thank you all for the generous donations for our Harvest Festival. We had a lovely time celebrating together with Rev. Faye!

All of the donations will be making their way to the Food Bank at St. Nicholas Church next week.

Administering medication

As we are now entering the seasons of coughs, colds and sore throats we understand that there are going to be more children being given medication such as antibiotics. Don't forget we are able to administer these in school should they need them and if they are well enough, they should be in school! Please bring medication to the office and complete a permission form.

Celebrations in school this month

In school this month we have celebrated Harvest Festival, learning about our food and where it comes and thinking of how we can help those who need food in our community.

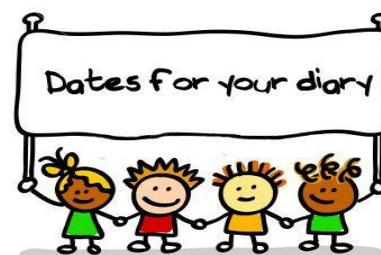

We will also be celebrating Black History Month, learning about some influential figures in our History.

In November we will celebrate:

Armistice Day St Andrew's Day Bhai Dooj Diwali
